One Minute With God

We need to forgive others then forget about it.

Many thanks to all who participated in last Sunday's annual parish picnic! Between the food, music, games, contests, crafts, raffles, and baseball game, a good time was had by all. It takes a lot of people volunteering their time to make the picnic work.

My sincere thanks to the Knights of Columbus who did a wonderful job grilling the food. Also, lots and lots of thanks to our Young at Heart group for raffling off the baskets and selling tickets for the passed three weeks, to our DJ for spinning the tunes and announcing the schedule of events, to the outstanding kitchen help who kept the food refilled and flowing smoothly and who cleaned the mess up afterwards, and to those who helped with the crafts. A very special thanks to those who volunteered on Saturday to set up tents, tables and chairs and to my "Sunday Team" who started at 8:00 a.m. and worked all day to make the picnic a success. Thanks to all those who helped organize, participate, and attend the softball game. It was a great success (if you were a Hawks fan!). If you did not hear, the Hawks beat the Chickens 11 to 4! And finally, thanks to the clean-up crew! Their efforts were greatly appreciated.

The raffle was also a huge success. This year we had 43 wonderfully creative baskets that were raffled off to very happy winners. To those who donated baskets, thank you so very much, and to those who bought tickets, thanks for your support!

To everyone who came, volunteered, donated . . . whatever you did to help make this year's picnic a celebration of community . . . THANK YOU!

Open the eyes of my heart, Lord!

September 3, 2017

Last week we celebrated Peter's confession of faith. Today Jesus reminds us that unless we lose our lives for his sake we cannot be saved. Taking up one's cross is the way of true discipleship. We can only imagine Peter's deep distress as Jesus tells the disciples that he must go to Jerusalem where he will suffer at the hands of the elders and chief priests, be killed and raised up on the third day. Peter's reaction is "No this is not how it will be!" Jesus rebukes Peter for not recognizing God's plan in the events that are to be unfolded. Jesus gives his disciples a dose of reality in today's Gospel. He wants to make sure they understand the implications of his mission. There is to be no confusion! They have accepted and confessed Jesus as messiah. Now they must understand the will of God. They must understand Jesus' mission. Jesus' mission involves suffering. The messiah is the "suffering servant." He is ready to fulfill his mission. Following Jesus is more than a confession of faith. It means following him even if it leads to persecution, misunderstanding, and suffering. It means we embrace his life – all of it! Jesus' teaching about the cross does not demand that we become martyrs. It means the lives of human beings will be judged according to the way in which they lived or did not live for others. We can ask ourselves are there any new insights for me as I heard and read the Gospel? How does this speak to my life? What areas of my life that I need to conform more with today's Gospel?

The September issue of the Catholic Update is entitled "Respect for Life and Human Dignity written by Fr. William J. Byron, S.J., who is a priest of the

Society of Jesus and holds two theology degrees, a doctorate in economics and an honorary doctor of humane letters from the University of Scranton. Human dignity, according to the aforementioned report by the USCCB, "Every human being is created in the image of God and redeemed by Jesus Christ and therefore is invaluable and worthy of respect as a member of the human family. Joseph Cardinal Bernardin gave a lecture in which he articulated what he called a "consistent ethic of life." The theme is to encourage Catholics to defend the sacredness of human life. Our hope is that we can agree on one thing – that each person possesses a human life that began at the moment of conception.

Remembering your loved ones at Mass

Have you considered remembering your loved ones (living or deceased) at Mass? Prayer is an ideal gift for weddings, anniversaries, or birthdays – it's **always** the right *size and color!* It is fitting to remember them at Mass – whether on a sentimental day or on numerous days throughout the year.

It is also appropriate to remember your loved ones through *Memorial Gift Donations*; these donations help to purchase items that are regularly used at Mass. In recent years, *Memorial Gift Donations* were used to purchase the gold-plated vessels used for distribution of the Eucharist at Mass, replating of the monstrance used for Eucharistic Adoration, the acquisition of new vestments, and the relocation of the tabernacle to the front of the church.

For those wishing to schedule Masses, they will be intentioned on a first-come first-scheduled basis. While there is no limit to the number of weekday Masses you may request, please limit yourself to a maximum of two (2) weekend Masses. Weekend Mass requests that are in excess of this limit will be scheduled on the nearest available weekday. (Please understand that the reason for this weekend limitation is that it allows a greater number of parishioners the opportunity to request and receive a weekend Mass intention.)

You may use additional paper or another form should the reverse side of this page not allow you sufficient room to specify your requests. The form(s) may be dropped by the parish office, placed in the collection basket, or mailed; please include your donation with the form(s).

When making requests, please know that Easter, All Saints, and Christmas Masses are not available for request. Masses celebrated on these days are intentioned for *the people of Our Lady of Guadalupe parish*.

Although it rarely happens that the intention of the Mass is not verbalized, please know that the celebrant prays for your intention whether it is verbalized or not. The Mass is the prayer of the people, at which we pray for all the loved ones of our families and our parish.

Family Connection

Peter was expecting a Messiah that would carry out a different plan than the one Jesus had explained. Jesus was indeed the Messiah, but his life and death would show a different understanding of what it means to be the Messiah. **We too have expectations of God and our own ideas about what we think God ought to be doing in our world.** Like Peter we may risk limiting our image of God by thinking only in human ways. God’s plan is always more than we can ever imagine! As you gather as a family, talk about the gospel and what we expect God to be doing in our world and in our family life.
